Press: Selected as a 2023 favourite from the Toronto Interior Design Show & DesignTO by Designlines magazine & Azure editors.

OSTREA COFFEE TABLE

The table's form is modeled after the *Ostrea Edulis*, a European oyster with a flat, fan shape. The principles of meditation worked as a starting point for this series. Design elements, such as repetition, fluid lines and organic forms, work to create a harmonious composition; intended to invite mindfulness and calm.

Field notes

Contrast plays an important role in this design. The repeating vertical dowels ground the abstract and organic shapes within the work.
